

Ottawa NMD 2023

6th Ottawa International Conference on Neuromuscular Disease & Biology
September 7-9 | Ottawa, Canada

Highlighting Recent Advances in Basic, Translational & Clinical Neuromuscular Disease Research

CONFIRMED SPEAKERS

KEYNOTE SPEAKER: Michael Rudnicki PhD, Ottawa Hospital Research Institute, CA

Annemieke Aartsma-Rus PhD, Leiden University Medical Center, NL

Matthew S. Alexander PhD, University of Alabama at Birmingham, US

Suma Babu MD, Harvard Medical School, US

Michael Benatar MD/PhD, University of Miami, US

Olivier Benveniste MD, Sorbonne Université, FR

Gisèle Bonne PhD, Institut de Myologie, FR

Carsten Bönnemann MD/PhD, National Institutes of Health, US

Craig Campbell MD, London Health Sciences Centre, CA

Natasha Chang PhD, McGill University, CA

Jeffrey Dilworth PhD, University of Wisconsin-Madison, US

Allison Ebert PhD, Medical College of Wisconsin, US

Amelia Evoli MD, Catholic University, IT

Vera Fridman MD, University of Colorado, US

Thomas Gillingwater PhD, University of Edinburgh, UK

Hernan D. Gonorazky MD, The Hospital for Sick Children, CA

Rita Horvath MD/PhD, University of Cambridge, UK

Justin Ichida PhD, University of Southern California, US

Dwi Kemaladewi PhD, University of Pittsburgh, US

Mireille Khacho PhD, University of Ottawa, CA

Hanns Lochmüller MD/PhD, Children's Hospital of Eastern Ontario, CA

Rami Massie MD, McGill University, CA

Katherine Mathews MD, University of Iowa Health Center, US

Hugh McMillan MD, Children's Hospital of Eastern Ontario, CA

Elizabeth McNally MD/PhD, Northwestern University, US

Doug Millay, PhD, Cincinnati Children's Hospital, US

Pier Lorenzo Puri MD, Sanford Burnham Prebys, US

Gerald Pfeffer MD/PhD, University of Calgary, CA

Giorgia Querin MD/PhD, Institut de Myologie, FR

Janice Robertson PhD, University of Toronto, CA

Richard Robitaille PhD, Université de Montréal, CA

Marco Sandri PhD, Veneto Institute of Molecular Medicine, IT

Laurent Schaeffer PhD, University of Lyon, FR

Kerri Schellenberg MD, University of Saskatchewan, CA

Melissa Spencer PhD, Molecular Biology Institute UCLA, US

Charlotte Sumner MD/PhD, Johns Hopkins University, US

Rabi Tawil MD, University of Rochester, US

Silvère M van der Maarel PhD, Leiden University Medical Center, NL

Jodi Warman Chardon MD/PhD, The Ottawa Hospital Neuromuscular Centre, CA

Chris Wehl MD/PhD, Washington University, US

Gil Wolfe MD, University of Buffalo, US

Rafael Yáñez-Muñoz PhD, University of London, UK

Craig Zaidman MD, Washington University, US

Stephan Züchner MD/PhD, University of Miami, US

Robin J. Parks PhD, Jodi Warman Chardon MD, Bernard Jasmin PhD, and Rashmi Kothary PhD (Organizing Committee)
